

# DOWN

# SOUTH

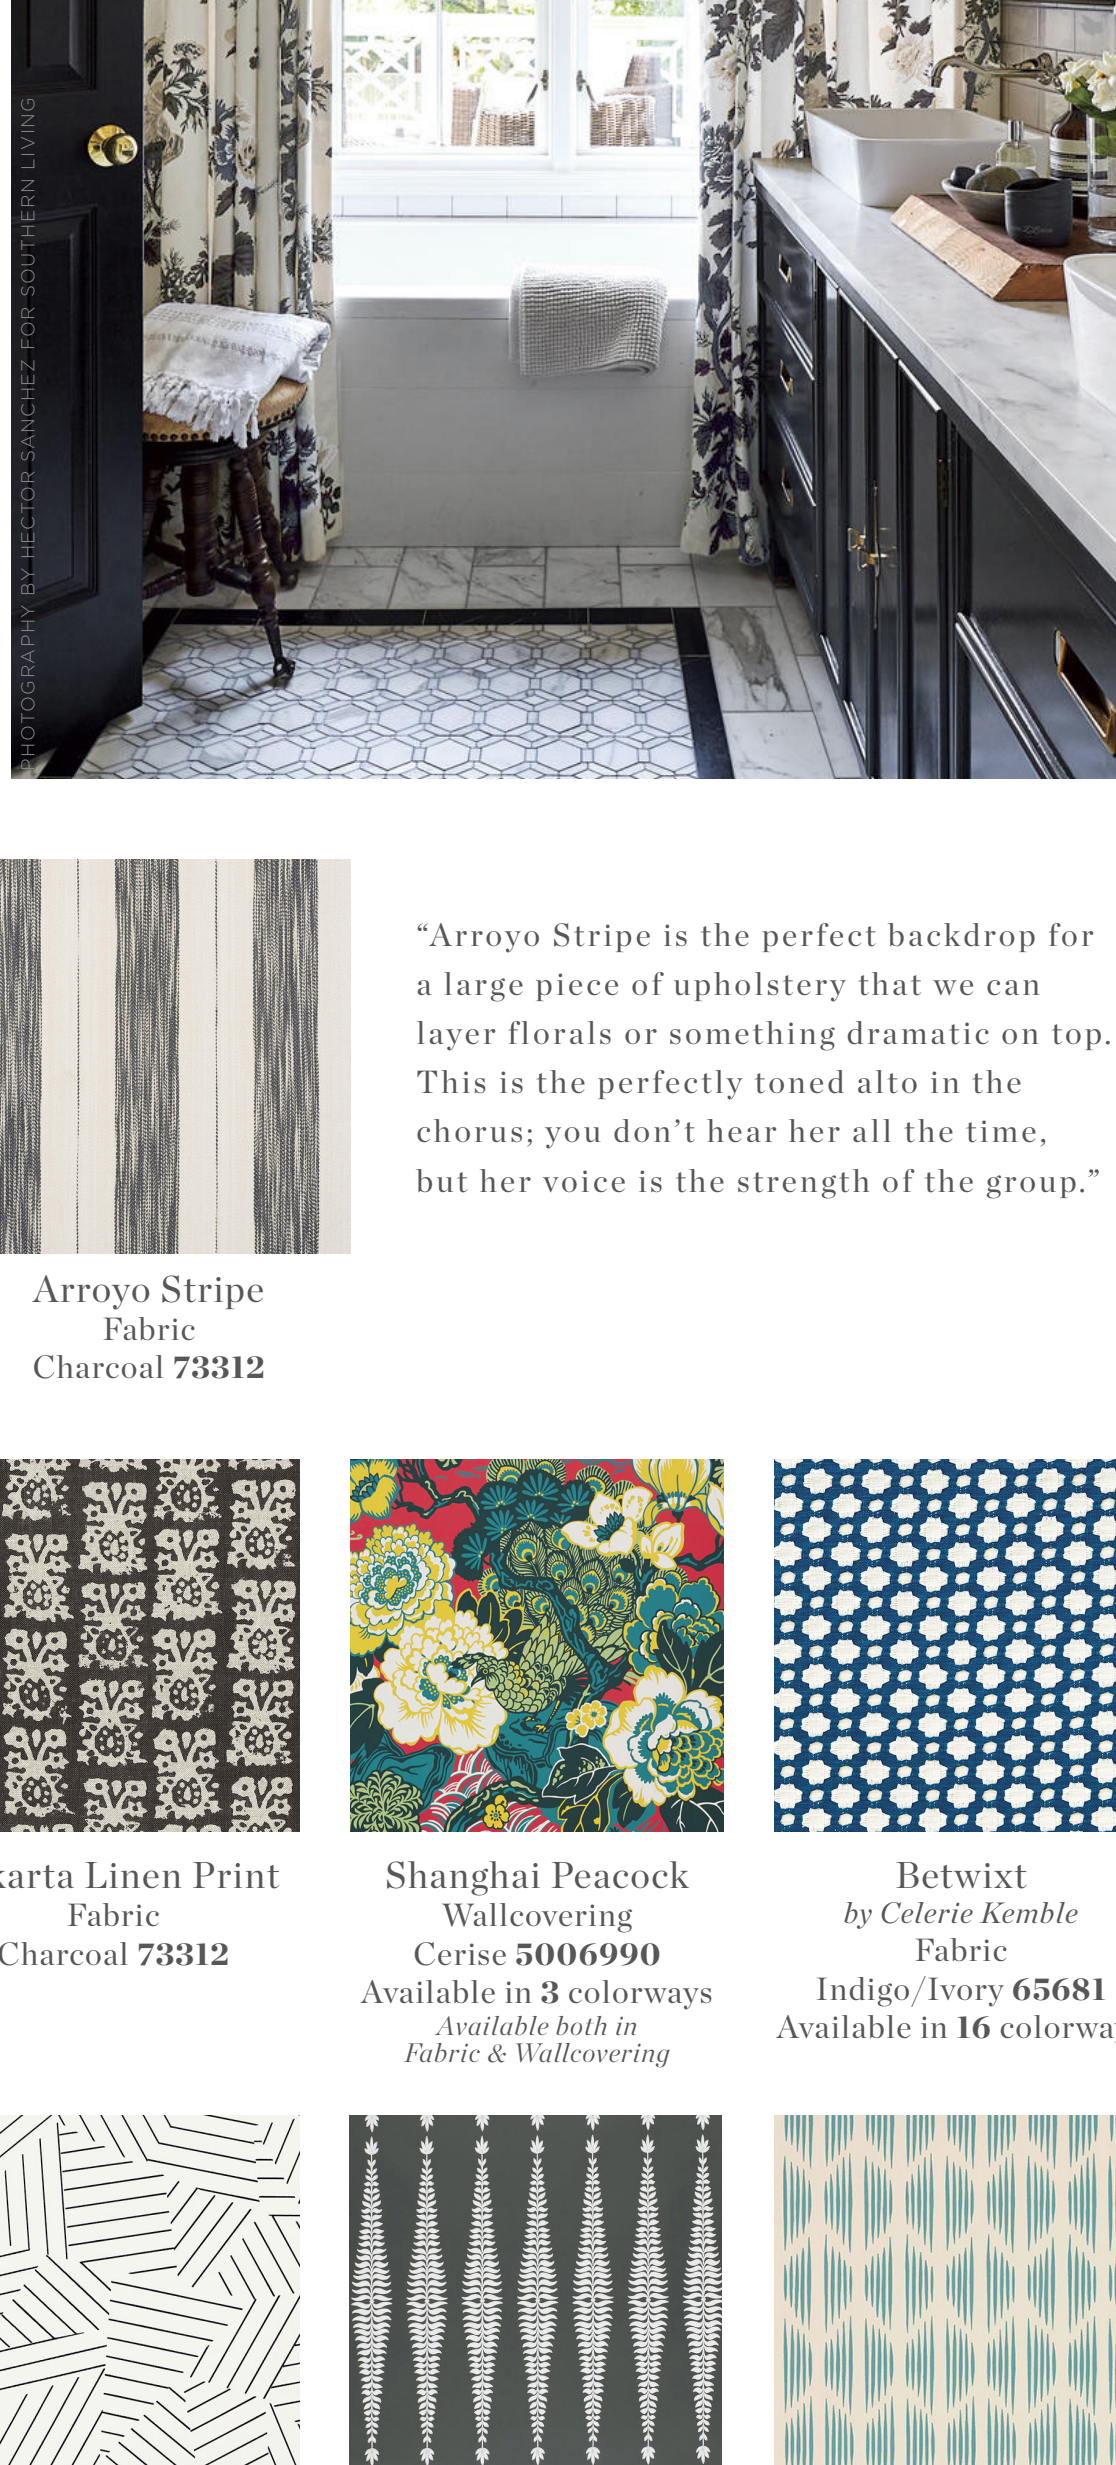

With that inimitable blend of tradition, polish and of course—hospitality—homes in the South are truly one of a kind. Meet three designers who are taking Southern style and making it their own, and the Schu patterns they turn to time and again.

## FRAN KEENAN

“Your house should feel like you. If it looks like my house, you should fire me.”

Birmingham, AL

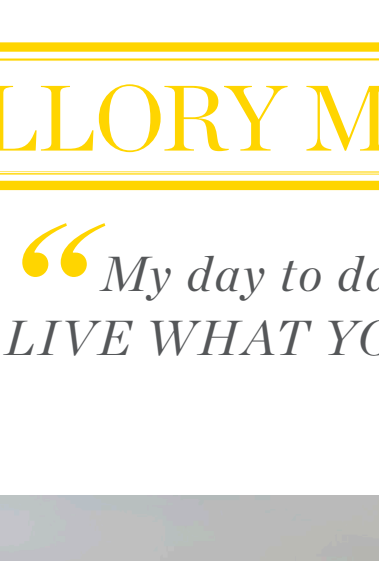

Arroyo Stripe  
Fabric  
Charcoal **73312**

“Arroyo Stripe is the perfect backdrop for a large piece of upholstery that we can layer florals or something dramatic on top. This is the perfectly toned alto in the chorus; you don’t hear her all the time, but her voice is the strength of the group.”
